

LIST OF BOAT OPERATORS

Dear Visitors

Below is the list of boat operators that can assist you further with boat service between Praslin and Aride Special Reserve. Please contact them personally to make your booking and they should then notify us of your visit to the island. Charges made by operators vary. The island entrance fee (SR650 for adults, children four to fourteen years old is SR300, under four years old free; Seychelles residents preferential rates on presentation of a Seychelles ID card). Please bring extra money to purchase a memento of your visit from our visitors centre. Boat operators usually provide food and drinks as none are available on Aride Island. Often boat operators prepare an excellent barbecue.
